* "Smart casual" for students in Japan means school uniforms or shirt with a collar & long pants or skirt.

Sleeveless tops, very short pants or skirts, flip-flop sandals are tend to be considered too casual or "sloppy" .

* Overnight pack should fit overhead shelf (a little smaller than that of airplane) or leg space when traveling on Shinkansen trains.

* No chance to exchange US\$ into JPY in Yonezawa.

* At the time of "Call-over," the supervisors are to check the rooms to call over the names.

* Your valuables, such as passport, money, or such, will be under your own responsibilities.

* When you take photos of people, please ask the person(s) whether it is ok or not. At facility observation, please ask your coordinators whether you can take photos or
